**10.40 – 12.00 Prospects for events leading up to Digital Summit 2020**

Moderated by *Regional Cooperation Council*

This session aims to discuss the potentials for having online events during October - November 2020 under the logo of DS 2020 and brainstorm on a concluding event, to be prospectively organized in December. The Western Balkan economies are kindly asked to provide their views/proposals on potential online events<sup>1</sup> to be organized under DS 2020 Logo as well as discuss the prospects for the final event of the Digital Summit 2020. Members from the industry are encouraged to propose concrete work stream based on their interest.

- *All participants*

**12:00 – 12:30 Conclusions and next steps**

- *Host of WB DS 2020*
- *Regional Cooperation Council*
- *European Commission*
- *German Federal Ministry for Economic Affairs and Energy*

---

<sup>1</sup> Potential online events may be: WB 5G Roadmap, regional interoperability framework – MoU on interoperability and trust services, challenges in addressing fake news in WB, impact of Covid-19 on industry and digital transformation, e-Health, cybersecurity challenges induced by Covid, etc.)
