

Second Meeting of the MAP REA Component Contact Points
15 May 2018, Tirana, venue TBC

09.00 – 09.30 Welcome and presentation of the objective of the meeting

- Gazmend Turdiu, Deputy Secretary General, RCC
- Emir Djikic, CEFTA Secretariat
- European Commission

09.30 - 13.00 Report on implementation of the MAP REA

Moderated by the Regional Cooperation Council

The session will inform on the monitoring results of implementation of the MAP REA as of mid-April 2018, presenting the key development at objective level for the whole region in all four components. The reporting is based on the inputs received by the economies and further processed by the CEFTA and RCC Secretariats. The reporting will also aim to inform the MAP Component Contact Points on the delays and challenges faced during the monitoring.

The MAP CCPs will be required to provide updates on the priority activities and steps undertaken in each WB6 economy to implement the deliverables for the Sofia and London Summit. The reporting will be separate for each Component in break-out sessions to allow discussions and interventions by MAP CCPs.

09.30 – 10.00 Report on implementation of the MAP REA

The session will inform on the process of monitoring and main horizontal aspects of the monitoring and reporting. Additionally limitations and challenges in preparing the report, in particular the quantitative monitoring.
