10.45 - 13.00	State of art in the implementation of the MAP REA actions Moderated by <i>Regional Cooperation Council and CEFTA Secretariat</i>

MAP coordinators to present the key developments in the implementation of the MAP actions per each of the four MAP pillars, followed by questions and discussions at a pillar level. The presentations of MAP NC need also to note any constraints that may impede the timely implementation of any of the MAP actions.

- *WB6 MAP Coordinators*

Questions and Discussions

13.00 – 14.00	Lunch break (Sala Verde)
----------------------	---------------------------------

Moving to another meeting room called Sala Alfonso Desiata

14.00 - 15.30	Stocktaking and Needs Assessment and Donor Coordination for the MAP REA
----------------------	--

Moderated by *Regional Cooperation Council Secretariat*

The draft Stock Taking and Need Assessment report provides the main policy gaps and resources needed to effectively implement the MAP actions. This section of the meeting aims to present the main findings of the report in a systematized manner. Additionally, this session will provide an overview of the preparations for the regional Donor Coordination Meeting, to be held within the first quarter of 2018.

- CEFTA Secretariat
- RCC Secretariat

Questions and Discussions

15.30 – 16.30 MAP Deliverables/targets for the upcoming Summits (Sofia, London)

Moderated by *Regional Cooperation Council Secretariat*

*This session aims to identify in time a limited number of clear deliverables/targets for the upcoming high level Summits (Sofia, London). The MAP Coordinators are requested to propose **up to 5** deliverables/targets per component, to be further discussed during the meeting in a structured manner per component. This session will also provide the opportunity to have an overview of the links of MAP REA to the upcoming Enlargement Strategy for the Western Balkan Six.*

- *MAP Coordinators*
- *RCC and CEFTA Secretariat*
- *DG NEAR*

Questions and Discussions
